SUBJECT: **New 2014-15 Competitive Award Offers**

This Operations Memo from the California Student Aid Commission (Commission) provides an update on the 2014-15 Competitive award offers.

- Pursuant to [GOM 2014-29](#), published on September 8, 2014, the Commission recycled unused award offers to the next cohort of eligible students. The 2014-15 Competitive Cal Grant scoring for recycled awards has been reduced from 806 to 802 for Competitive awards and reduced from 820 to 817 for September 2 Competitive community college awards.
- Due to the revised scorings, a total of 1,464 newly eligible students were offered a 2014-15 Competitive award.
- Thanks to the efforts of its collaborative partners, the Commission was able to increase the number of Competitive award offers for the 2014-15 academic year.
- The Commission advises institutions to look for these newly awarded students on their school rosters for payment postings.
